

Smiles for Charity is Braydich Dental's way of saying thank you to the numerous organizations, that help support the communities where we live and work.

Smiles for Charity charges \$100 for teeth whitening with the entire amount given to a local organization. This year's goal is to raise \$10,000 for Animal Charity of Ohio.

Animal Charity is a non profit organization with a full service veterinary clinic and the only humane society in Mahoning County.

Every year millions of pets are abused, neglected, or abandoned. Every year millions of unwanted pets must be euthanized in shelters. Their clinic prices help support their program to fight animal cruelty and to educate the public on responsible pet ownership.

Our Smiles for Charity drive begins March 1, 2011 and ends June 30, 2011. If you are interested in having whiter teeth, a more pleasing smile, and confidence in knowing you look your best, please call us for an appointment and help us reach our goal of \$10,000.
